What language do people in Haiti speak?

Kreyòl and French are the official language of the Republic." However, in practice, most official government business, and all judicial proceedings, are conducted in French. Meanwhile, English is also becoming popular among the youth.

Is it dangerous to travel to Haiti?

Spring Break in Haiti takes full responsibility for the safety of our patrons. Security is provided by The Office of Ministry of Haitians Living Abroad. You are encouraged to stay with the tour guides during excursions. Exploration outside of the tour parameters is at your own risk. Safety is our number one priority and with your cooperation we will ensure that you have an enjoyable and safe experience.

Does Haiti have a democratic government?

Yes, Haiti does have a democratic government with a newly elected President Rene Garcia Preval as of 2006

I heard Vodou was practiced in Haiti. Is Vodou dangerous?

Are Christianity or Islam dangerous? In fact, Christianity (Catholicism) is the main religion of Haiti. Vodou is a religion - it is also a major feature of Haitian history, society, culture and identity. Vodou inspired the slave revolution that created the modern state of Haiti, and serves as the inspiration for huge numbers of Haitian artists and musicians. For more information see: "Sacred Arts Of Haitian Vodou" by Donald J. Cosentino, Los Angeles Fowler Museum of Cultural History University of California
